Rakuten, Inc. (the "Company") announces that at the meeting of the Board of Directors held today, it resolved to issue the following Share Options as stock options to Auditor of the Company's subsidiaries, on September 1, 2016, pursuant to " Issuance of Share Options as Stock Options", approved at the 19th Annual General Shareholders' Meeting held on March 30, 2016.

1. The reason for issuing the Share Options on especially favorable conditions

Since the value of the Share Options is linked with the Company's stock price, delivering Share Options as part of a performance-linked compensation package to the Company Auditors of the Group will make the enhancement of the Company's corporate and shareholder values in the medium to long term be reflected in their compensation and allow shareholders and the Company Auditors of the Group to share equal benefits and disbenefits. This is expected to lead to a greater awareness on the part of the Company Auditors of the roles demanded of them, namely the execution of proper audits, thus ensuring the sound growth of the Group, which is indispensable to the enhancement of corporate and shareholder values, and the establishment of a system that will meet the trust placed in the Group by society.

The Company intends to implement stock options for the Company Auditors for the purpose of continuous enhancement of the Group's corporate and shareholder values.
